Submitted to His Highness

With a view to improve the finances of the Molakalmuru Municipality for carrying out several works of sanitary improvement which are now held over for want of funds, the Municipal Board of the town propose to levy market fees on carts &c entering the town on weekly market days similar to those levied in the municipalities of Jagalur and Challekere. The rates of market fees proposed to be levied are as follows.-

	Re	a.	p.
1) Carts, laden, drawn by 2 bullocks	0	2	0 each.
2) -do-, empty, -do-	0	1	0 -do-
3) -do-, laden, drawn by 1 bullock	0	1	0 -do-
4) -do-, empty, -do-	0	1	0 -do-
5) Ass or bullock laden	0	0	6 -do-
6) Head load	0	0	3 -do-

The President of the Municipalities in the Chittoor District states that the proposed levy is expected to bring in a revenue of Rs 300 a year to the Municipality and solicits sanction to the levy tentatively for a period of 2 years from the 1st July 1906

In the case of the Challekere Municipality the levy of fees was restricted to laden carts, bullocks and asses that collected at the market place, no fees being levied on carts that merely passed through the town without breaking bulk, or that did not go to the market place.

The Councillors are of opinion that the same arrangement as that sanctioned for Challekere may be sanctioned for Molkalmuru also. I agree with the Councillors and would recommend that the levy of market fees at the following rates may be sanctioned:-

	Re. a p.
1) On every laden cart drawn by 2 bullocks coming to the market place	- 0 -2- 0
2) On every laden cart drawn by 1 bullock coming to the market place	- 0 -1- 0
3) On every laden ass or bullock coming into the market place	- 0 -0- 6
4) On every head load coming into the market place	- 0 -0- 3
